

How to Achieve Break-Thru with Your Team

What if two days with your team could change the trajectory of your church?

You are invited to an exclusive gathering limited to 25 church teams at three different cities around an important break-thru topic. Each topic is a critical factor in reaching and discipling people for real church growth. Keep in mind this is not a conference! It is a workshop + coaching process to bring permanent change to the performance of your ministry. That's what Auxano is all about: deep and lasting culture change based on your vision. It's [Auxano's Boot Camp Series](#).

Boot Camp Topics and Locations

- [Pastoral Succession](#) - Dallas, TX
- [Leadership Pipeline](#) - Houston, TX
- [Guest Experience](#) - Charlotte, NC

The Story Behind the Boot Camp

For the last 16 years Auxano has developed an amazing toolbox in three key areas for every church that goes through our vision process: A guest perspective evaluation, a leadership pipeline build-out, and a pastoral succession roadmap. Now, for **the first time**, we are bringing those insights, tools and how-to's to church leaders **whether you are going through a vision process or not**. Each topic is built on a history of team facilitation and best practices from leading churches of every faith tribe and every size.

Each Boot Camp Features

- 2-days of training with two master trainers
- Transferable tools for immediate application in the Fall
- Follow-up coaching for feedback and implementation support
- A notebook with how-to templates and examples from model churches
- A memory making team experience that makes growing your church fun

Break-thru Guarantee

If you attend with your team and find that the Auxano Boot Camp is not the best training you have ever received in the subject matter, we will give you a 100% refund.

Early Bird Special

Take advantage of a 15% discount if you register before July 17! Use the code **EarlyBird15** when [registering](#).
